

Dr. Hüseyin AĞCA

Hüseyin AĞCA was born in Erzincan in 1934 and completed elementary and middle-school education in the same city. After finishing Kuleli Military High School he went to the Military College in Ankara and continued his education at the Department of Turkish Language and Literature of the Faculty of Letters, Ankara University as a military cadet.

When he graduated from this university in 1957 he started teaching at the Erzincan Military High School as a lieutenant teacher. In the meantime he also taught at high schools of the Ministry of National Education. In 1965 he was transferred to the Military Music Vocational High school in Ankara where, in 1972, moved to the Military Technical school in Mamak as a teacher.

During these years he earned another B. A. in the field of education and completed his M. A. in the same field and specialized in program development. Between 1978-1988 he served at the Turkish General Staff Headquarter and taught at the Military College. Seven of his projects published by the Turkish General Staff. He pursued his academic studies and received a Ph.D. in 1984.

Having retired in 1988 from the Military he was appointed as the member of the Higher Council for Teaching and Training of the Ministry of National Education where he founded the Research center for Development of Turkish Teaching. He also trained teachers who were teaching Turkish and Turkish culture to Turkish students in Germany.

In 1990 he became faculty member of the Erciyes University. Later worked in Gazi, Kocatepe, On Sekiz Mart and İzzet Baysal Universities. In 2001 he became the Secretary General and the member of the Project Executive Board for the Turkish World Common Literature Project at the Atatürk Cultural Center of the Atatürk Supreme Council for Culture, Language and History.

He continues to work at the same Center and coordinates activities concerning Turkish teaching and publishing journals of Türk Dili and Bilge. He has published 26 books and around 200 articles.

Some of his publications are as follows:

*Askerî Okullara Merkezî Sistemde Öğrenci Seçimi* (Ank. 1981), *Türk Millî Eğitim Sisteminde Anarşi ve Terör Konusunda Alınacak Tedbirler* (Ank. 1982), *Dövizli Askerlik için Yurdumuza Gelen Vatandaşların Genel Sorunları Araştırması* (Ank. 1983), *Yatık Lise Öğrencileri Üzerinde Psiko-Sosyal Saha Araştırması* (Ank. 1983), *Yatılı Yüksek Öğretim Öğrencileri Saha Araştırması* (Ank. 1984), *Türkiye'de Anarşi ve Terörün Önlenmesi ile İlgili Tedbirlerin Araştırılması* (Ank. 1984), *Ailede Eğitim* (1993, 6bs. 1998), *Erzincan' da İş Gücü ve Sosyo-Kültürel Gelişim Alan Araştırması* (Erzincan 1998), *Yapılı Anlatım* (Ank. 1999), *Sözlü Anlatım* (Ank. 1999), *Yazılı ve Sözlü Anlatımda Türkçenin Kullanımı* (Ank. 2001), *Türk Dili* (2001), *Erzincan ve Çevresi Ermeni Zulmü, Ailenin Zaferi* adlı son iki eseri basım safhasındadır.
